Delete/change account information

Saphirez - 2020-06-10 - 0 Comments - in Customer Support

You can always change and update all personal information related to your account yourself, via our self-service. This may be accessed here: [Customer Service](#).

You will need to login, prior to using the link above. You can do so near the top-right corner in the link.

Note: this is a non-reversible action.

If you are not able to use the service above, make a support ticket [HERE](#)
